### DECISION

#### BUXTON CONSTRUCTION

#### ALFRED HOSPITAL

CFMEU  
CEPU

#### CLAIM FOR SITE ALLOWANCE

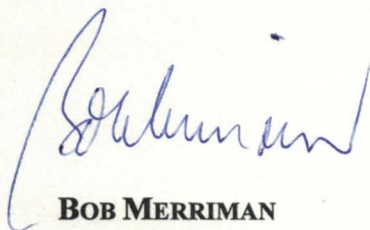

102-2006

In my decision (092-2006) which dealt with a site allowance dispute at the Hospital, Buxton Construction sought a further hearing to present argument as to their position in respect to this claim.

A hearing took place on 27 July 2006 and a further inspection occurred involving the Buxton work on 8 August 2006.

I am convinced that the work in question is not refurbishing work of the 'old building' but is new work on part of a floor and the value is beneath \$2.1 million.

I therefore dismiss the Union's claim in this matter.
